Jazmone & Kareem

About Us

Hi! We are Kareem and Jazmone. We've been together for 22 years and married for 12 years. We are opposites when it comes to personality, Kareem is more reserved, while Jazmone is outgoing and adventurous. We both lead with positive mindsets. Kareem has a Bachelor's in Business Administration, business owner, and investor. In his free time, he loves grilling, exercising, watching sports, writing goals, and music. Jazmone has a Bachelor's in Nursing, Executive Nurse and business owner. She puts a lot of time into the kids which she enjoys. In her free time, she loves all things self-care, art, dancing, singing, and exercising. As a family we enjoy cooking and baking. Our three boys are Black Belts in Taekwondo and on the swim team. We homeschool, they have many friends inside and outside of their homeschool group. We are a family that loves to travel, celebrate, help others, and make memories.

Our Home

We live in a two-story home with 4 BR, 3 BA, and finished basement. Located in the suburbs, in a family friendly neighborhood. We have a movie theater, a playroom, a game area, and areas in the house where the kids play. The backyard is fenced in with an in-ground swimming pool with a safety cover, a basketball court area, a gazebo with a built-in fire pit for roasting s'mores! We have a deck with comfortable seating, we enjoy family cookouts and/or relaxing. Our home is near parks, schools, grocery stores, and gas stations. We're about 7 mins from the mall, and all major restaurants and 20 mins from the zoo and children museums. We do not have any pets.

Dear Expectant Mom,

We would like to first begin by honoring you for being such a strong angel mom and woman that you are. It takes such strength and courage, and for that, you are more than a conqueror. You are an absolute blessing! It starts with you, and you matter. We understand that considering a birth plan for adoption is not easy but it shows how selfless and caring you are for making the best decision for you and this amazing blessing to come.

I would like to thank you for taking the time in considering us as your potential adoptive family. We would love to be a part of your story. We can reassure you that your beautiful baby will be very well taken care of in all aspects of life. We have a host of family and friends waiting with open arms. The baby will be loved unconditionally. We will be here for you throughout this process. I hope you can feel a sense of peace as you read about us. While you take this time to embrace our sincere words; we are deeply grateful for you and if you choose us as your forever family.

Hope to speak with you soon,

Jazmone and Kareem

What Led Us to Adoption?

We always wanted to grow our family through adoption. Adoption was laid on our hearts when we were in college, not knowing if we would have biological children or not. The feeling of adoption only grew stronger over the years. We are very blessed to have careers that gives us the time and flexibility to be home, provide stability, and support. Our children are so excited to have another sibling.

Our hearts are open to love another child unconditionally, give them a beautiful life and guide them, while providing, them with opportunities to grow and thrive. We are committed to raising a child in our home where we embrace diversity, inclusion, and the beauty of being culturally different or the same. We believe every child deserves to be loved unconditionally and accepted for exactly who they are. We have open arms for any child that is meant to be a part of our family.
